

Attendance policy

Ethos

At Colyton Caterpillars Childcare we believe that children who attend nursery regularly, arrive and are collected on time are more secure and better able to engage with the learning environment, become more confident, make good relationships and increase their social skills. The settings views good attendance and punctuality as vitally important for the learning and well-being of children. Most of your child's education will be funded by the government, so you do need to attend your funded hours as money has been allocated for your child's learning.
